Model: hf-FX14068

Bushdoctor Microbe Brew, 1 qt

Manufacturer: FoxFarm

FoxFarm Bushdoctor Microbe Brew, 1 qt (FX14068) Bushdoctor Microbe Brew is a complex blend of ingredients specially formulated to help plants achieve optimum microbial habitats at the rhizosphere or root zone environment. Microbe Brew contains concentrated amounts of fungi and bacteria spores that will inoculate large populations at a rapid pace. Microbe Brew also contains macro and micronutrients that feed not only the plant, but also ingredients specially formulated to feed the actual microbial population. Organic and Natural, Microbe Brew will satisfy your plant and soil's thirst with the nutritional cocktail they deserve. Can be used in both hydroponic and soil applications. For optimal results, follow the FoxFarm feeding schedule.
