Can-Lite 4", 250 CFM

Model: eco-5690A

Can-Lite 4", 250 CFM

Manufacturer: CF Group

CF group has added a new series of canister filters to their already dominant line of activated carbon filters. After years of research and field testing of the light-weight carbon filter, CF group will proudly place their trusted name in air filtration on this new series of filters. The Can-Lite™ 100 has been developed with ease of installation, durability and effectiveness in mind. The Can-Lite™ is manufactured the same way as the Original Can-Filters® (proven packed bed design). The difference is in the carbon; high density carbon is used in the Can-Lite™.

Built in flangeWeight saving aluminum top and bottomConsistent fill procedureSized to meet all of your ventilation needsPre filter includedEase of installation with the low overall weightMax CFM: 250 cfm

Pre-filter: Yes

Flange: Built in 4 "

·Outside Diameter: 10cm /4"

·Height: 38 cm/15"

·Total Weight: kg 4.08/ 9 lb

·Carbon Weight: 2.6 kg /5.7 lb

·Carbon Bed Depth: 2"

Max Operating Temp: 80°C
