Capacitor Sod 1000W US (wet)

Model: hf-BACPSD1THU

Capacitor Sod 1000W US (wet)

Manufacturer: HydroFarm

Hydrofarm Capacitor Sod 1000W US (wet) (BACPSD1THU) Capacitors store the power in the event of an increased demand on energy. High-powered drives may experience a need for a capacitor to handle the power they run, which often exceeds that available from the power source.

Hydrofarm capacitors and replacement capacitors are available in a variety of wattages, brands, and types.

Choosing a capacitor to best fit your system can be a confusing process. Contact your Hydrofarm sales representative with questions or for assistance shopping for capacitors and replacements, or to ask what best suits your current ballast and grow room setup.

Manufacturer's Product Information

MSRP each \$39.95

Dimensions 1.8 x 1.8 x 5.1

Case Weight 33

Case Quantity 33

Price: \$20.65
