Cha Ching Soluble, 6 oz

Model: hf-FX14102

Cha Ching Soluble, 6 oz

Manufacturer: FoxFarm

FoxFarm Cha Ching Soluble, 6 oz (FX14102) Late Flowering Formula: FoxFarm engineered Cha Ching® to maximize a plant's production. Every stage of the growing cycle demands optimal nutrition. Cha Ching® is a high-phosphorus fertilizer that won't leave a salty residue or build up in the soil. Even better, we've included the micronutrient pack that FoxFarm is known for. It contains all the essential elements you need to support juicy fruit on compact, stocky plants.

Cha Ching® creates juicy, robust fruit with essential oils and resins pumping out of stems and leaves. That means concentrated flavor and perfect texture. After flowers are fully formed, switch to Cha Ching® and continue through harvest. Feed with every other watering.
