Chameleon Container 15 Gal Desert Standard

Manufacturer: HydroFarm

Root Pouch Chameleon Container 15 Gal Desert Standard (RPDS10015) Root Pouch combines award-winning fabric pot technology with field-tested camouflage designs to create a breathable container that blends into the surrounding environment. Root Pouch products are made from recycled materials and are lightweight, flexible and re-usable. Seams are sewn with an industrial lock stitch and finished with French seams for durability and long life.

• Distinctive designs and color schemes effectively mimic colors found in nature • Camouflage designs interrupt the visual outline and shapes of objects while blending in with earth tones
