Rockwool / Stonewool, Coconut Coir

(Coco), Potting Soil, Worm Castings

Charcoal. 2 qt

Model: SO200

Charcoal. 2 qt

Manufacturer: Sungro Horticulture Black Gold

Black Gold Charcoal2 dry quart This is excellent soil conditioner, especially for heavy soils. It is very effective in sweetening soils in terrariums and pots that lack appropriate drainage and need improved root oxygen levels Use Black Gold® Charcoal to improve the soil's texture, density, aeration and drainage. Charcoal can absorb excess moisture and remove odors. Think of charcoal as nature's soil conditioner.
