Clonex Clone Solution, 1 qt

Model: hf-HDCCSQT

Clonex Clone Solution, 1 qt

Manufacturer: HydroDynamics International

Hydrodynamics International Clonex Clone Solution, 1 qt (HDCCSQT) Clonex® Clone Solution is a clone specific nutrient formulated using a special blend of minerals, vitamins, wetting agents, and a root promoter. Used with Clonex Rooting Gel Compound or other rooting agents, it encourages rapid root development while helping to minimize stress. Clonex Clone Solution is the result of extensive horticultural research and is designed to work together with Clonex Rooting Compound or other rooting agents for outstanding results. Clonex Clone Solution contains specific micro nutrients and root enhancing agents, carefully formulated to initiate and nourish new root cells. Clonex Clone Solution is highly concentrated.
