## CNS17 Bloom, 5 gal

Model: hf-BCCNS17B5

CNS17 Bloom, 5 gal

Manufacturer: Botanicare

CNS17 Bloom is extremely concentrated, cost effective, and produces premium results for the commercial grower and hobbyist. Formulated for all grow medias, the NPK ratio in CNS17 Bloom was designed to provide specific critical elements to support heavily fruiting and flowering crops, which allows phosphorus and potassium levels to be maximized without leading to toxicity or nutrient burn. CNS17 Bloom formula also combines also optimal levels of calcium, sulfates, and trace minerals to guarantee a complete and balanced spectrum of plant nutrients throughout the entire bloom phase.

- Produces high yields at an economical value
- Cost effective for large scale production
- Only 3 formulas to satisfy all growing methods
- Highly soluble formula excels in DWC, Aeroponic, and NFT systems
- pH stable
- Contains optimum levels of phosphorus and potassium

**Price: \$59.95**
