Botanicare CNS17 Grow, 1 gal (BCNCNSGGAL) CNS17 Hydro Formula is a highly concentrated, economical fertilizer that is an element-rich plant food, with seventeen essential elements, and is ideal for producing consumable goods. Virtually no other commercial hydroponic nutrient can compare to the spectrum of nutrients in CNS17. The molecular composition of CNS17 in dilution with water causes the organic structures to hydrolyze and provide energy to beneficial microbes in solution.
