CNS17 Ripe 8 oz.

Model: hf-BCNCNSR8

CNS17 Ripe 8 oz.

Manufacturer: Botanicare

Botanicare CNS17 Ripe 8 oz. (BCNCNSR8) CNS17 Ripe 1-5-4 is a specially designed formula requested by industry professionals to be used in the final 3-4 weeks of the bloom cycle. Ripe has an adjusted NPK of 1-5-4 intended to help promote ripening in fruiting and flowering plants. By reducing nitrogen amounts to a minimum level and maintaining optimal ranges of phosphorous and potassium, the use of Ripe will encourage plants to focus more energy on reproductive functions while still maintaining adequate nutrition levels for foliage.
