DeuceDeuce 32 oz.

Model: hf-HNDD405

DeuceDeuce 32 oz.

Manufacturer: Humboldt Nutrients

Humboldt Nutrients DeuceDeuce 32 oz. (HNDD405)DeuceDeuce 0-0-22

DeuceDeuce is derived from sulfate of Potash, Potassium, and Ascophyllum Nodosum.

Potassium aids plants in enzymatic function, protein and cellulose formation, efficient photosynthesis and rapid transportation of carbohydrates and starches throughout a plants vascular system.

Providing High levels of potassium to your plants will also harden flowers and improve overall plant health.

The Potassium contained in DeuceDeuce is a revolutionary formulation, creating instantly available elements within the formula.

When DeuceDeuce is diluted and mixed in water a beneficial environment for biological life is created.

This unique blend allows helpful biological activity to immediately begin breaking down the elements provided by the high quality, cold pressed Ascophyllum Nodosum Seaweed.

Using DeuceDeuce in conjunction with Grow Natural and Bloom Natural will allow your plants to reach their peak performance.

Our customers currently using DeuceDeuce have reported these results: increased root growth, lush vegetation, larger and harder flowers and improved overall quality for all the plants in their gardens.

DIRECTIONS:

Hydroponic Application Rate: 1-5ml per gallon of water in reservoir.

General Application Rate: 1-5ml per gallon of water or nutrient solution.

Foliar Application Rate: Apply at a rate of 5-10ml per gallon of finished spray solution.

DERIVED FROM: Ascophyllum Nodosum Seaweed, Potassium and Sulfate Of Potash. ALSO

CONTAINS NON-PLANT FOOD INGREDIENTS: 1% Yucca Extract
