Dramm Female Hose Mender (Special Order)

Model: 708986

Dramm Female Hose Mender (Special Order)

Manufacturer: -

Perfect to repair the bent or damaged ends of your 5/8 in garden hose. Choose from Male or Female Hose Menders. Each package has a male or female end and the clamps to hold them in place for a lasting repair. The crushproof ends are crafted from nickel plated brass, while the die-cast zinc and aluminum clamps offer strength and durability. The barbed ends slide easily into your garden hose for a tight fit.
