Dutchmaster Gold Potash Plus

GOLD POTASH PLUS 5 L/1.32 GALLONS (2/CS)

POTASH+ is one of the most advanced root based phosphorus boosters in the world! Containing Premium grade multiple phosphorus types and synergistic micronutrients, POTASH+ is one of the best ways to maximize your plants natural genetic flowering potential! POTASH+ has been scientifically formulated by a PhD Plant Physiologist to go beyond what standard NPK fertilizers can offer! Designed specifically for Hydro, Soil and Coco, POTASH+'s high performance action performs equally well in any media or any system – truly universal! Try it today and unlock the power in your garden!
