

**Ecoscraps Organic Moisture Retaining Compost Mix, 1.5 cf**

Model: hf-EOS1000

Ecoscraps Organic Moisture Retaining Compost Mix, 1.5 cf

Manufacturer: HydroFarm

Ecoscraps All Purpose Compost mix is high in organic matter. It is made from composted fruits and veggies and other organic materials. This all natural compost is specially formulated to encourage healthy, sustained plant growth. Use whenever a high amount of organic matter is needed as a soil amendment. Great as an addition to landscape beds or when planting trees and shrubs. Use in the planting hole and mix with native soil. OMRI listed.

**Price: \$4.80**
