EHEIM COMPACT PUMP 300

Manufacturer: EHEIM

Eheim Compact Pumps

EHEIM compact: As the name suggests, small dimensions together with high power and many different uses are the most important criteria of this pump series.

3 models with maximum powers of 300 - 600 - 1000 liters cover many application areas. The capacity of all 3 models is adjustable. The priming screen protects the pump and aquarium inhabitants from damage.
