Eliminator Booster Pump Kit

Model: hf-ELIMBPK

Eliminator Booster Pump Kit

Manufacturer: HydroFarm

SpectraPure (R.O. Filters) Eliminator Booster Pump Kit (ELIMBPK) SpectraPure® Booster Pump Kits are ideal for use on water sources with pressures below 40 psi (2.8 bar) such as private wells, gravity feed water systems and high-rise apartments. A pressure gauge is necessary to monitor the booster pump pressure.

- Includes pressure switch and transformer
- Boost incoming pressure to 80 psi for enhanced production and increased purity
- Can be operated in any position
- Whisper quiet
- Advanced diaphragm technology and improved bearings extend pump life and lower noise
- Sealed pump design protects from moisture and prolongs motor life
- Adjustable pressure output
- For use on 115 VAC/60 Mz
