EZ Store Container/Bucket 13 Gallon

Model: 703992

EZ Store Container/Bucket 13 Gallon

Manufacturer: -

EZ Store Container/Buckets 8 & 13 Gallon

Heavy-duty EZ Stor containers/buckets are rectangular in shape and are made with virgin, high density polyethylene material. These patented containers have no holes in them and can hold up to 8 or 13 gallons of liquid. They work well for mixing solutions or for building your own mega hydroponic system. EZ Stor containers are nestable, with built in hand grips, making them easily transported. The lid is compatible with both sizes. It has a recessed fit with a tear strip and a built in handle on the front portion of the hinged lid, creating easy access without removing the lid. Buckets and lids each sold separately.
