Model: SCZ-005

Fiskars SoftTouch Micro-Tip Pruning Snips

Manufacturer: C.A.P. Custom Automated Products

FISKARS

Scissors & Shears

These pruning Snips will be your favorite "finishing touch" tool. They think you're laboring over every leaf and blossom, but you know that deadheading, shaping or pruning even the densest plants is as simple and quick as a precise, decisive snip.

Titanium Nitride coating resists scratches, wearing, and corrosion. Easy-action spring. Easy slide-lock. Comfortable soft grip handles are non-slip and reduces hand stress Lifetime Warranty.
