Flo-n-Gro Black Mesh Insert for Bucket System

Model: 707640

Flo-n-Gro Black Mesh Insert for Bucket System

Manufacturer: Titan Controls

Flo-n-Gro Black Mesh Insert for Bucket System

This black mesh insert fits snugly in the Flo-n-Gro™ bucket to create an easy to use grow container for all of your plants. The rigid plastic insert keeps its shape through years of use. The spacing between your Flo-n-Gro™ bucket and black mesh insert allows the optimum air and water flow for your plants root system to flourish!

Price: \$4.57
