Model: hf-GH1672

FloraDuo A 1 qt

Manufacturer: General Hydroponics

General Hydroponics FloraDuo A 1 qt (GH1672) FloraDuo is a two-part mineral nutrient, FloraDuo A (formerly Grow) and FloraDuo B (formerly Bloom). Using only two components it is possible to mix a large range of different nutrient blends for different kinds of plants and for different phases of growth from seedling through harvest.

The ratios of primary, secondary and micronutrients all change with different blends; each tailored to meet specialized plant needs.

It can be used for all plants and all gardening methods including hydroponics, potted plants in prepared soil mixes, coco blends and garden soils.
