FloraKleen - Gallon (4/cs) (eco-2836)FloraKleen 1 gallon

FLORAKLEEN Salt Clearing Solution

FloraKleen removes fertilizer residue that can accumulate over time in hydroponic systems, growing media, and potting soils. Use FloraKleen monthly to purge your hydroponic system or potted plants of excess salts that can accumulate as a result of regular fertilizer application. FloraKleen is an excellent final flush, and can be used at any time to dissolve mineral and salt buildup. Its high concentration and low price make FloraKleen the economical choice for maintaining your plants in both hydroponic and soil based environments.

FloraKleen

General Hydroponics FloraKleen Salt Clearing Solution - This salt clearing solution dissolves accumulated fertilizer salts. It will reduce stress from excess nutrients. Use FloraKleen as a final flush a few days before harvest to promote maturation and sugaring.
