Foliar Boost 32oz

Manufacturer: Atami

Atami Foliar Boost 32oz (BZFLB32) B'Cuzz Foliar Boost is a 100% organic nutrient delivery system designed to optimize the penetration of foliar applied nutrients. B'Cuzz Foliar Boost is derived from the Yucca and Quillaja plants that are indigenous to the Mojave desert region. Atami's bio-technical engineers have taken extracts from these plants to create a certified organic surfactant and soil drenching solution that will ensure maximum delivery of all nutrients, hormones and bio-stimulants through the leaves and the root zone of your plant. Use B'Cuzz Foliar and B'Cuzz Foliar Boost together to unleash the full potential of our powerful B'Cuzz Root, Growth and Bloom bio-stimulants.
