FoxFarm Open Sesame

OPEN SESAME 2 LB (5- 45- 19) (12/CASE)

Open Sesame 5-45-19 is a high-phosphorus soluble early-flowering formula fertilizer that is designed to bring plants into bloom at your command. Feed with Open Sesame starting at about the fifth or sixth week of a plants life. It will go right to work at the root zone and delivered targeted nutrients when the plants need them the most. Open Sesame will only take a couple of weeks to produce stocky, sturdy, compact, high-producing plants and buds that are ready to burst. Whether you're growing in hydroponic systems or gardening in ordinary soil, Open Sesame will provide the optimal level of nutrition with minimal salts and other residue buildups. Designed to work with Fox Farms other plant foods & fertilizers.
