Fungicide Gallon

Manufacturer: C.A.P. Custom Automated Products

Pest Control (ZTFUGA) Zero Tolerance Herbal Fungicide Ed Rosenthals Zero Tolerance eliminates garden fungus. This herbal Fungicide is made from the highest quality oils of clove, rosemary, thyme, and wintergreen. Zero Tolerance not only stops pests in their tracks, it smells great too! Its made from pure food grade ingredients and is plant, people and pet friendly. Zero Tolerance is bio-degradable and environmentally safe so you can use it without worry. Works in outdoor gardens, greenhouses and indoor hydroponic systems. Zero Tolerance not only kills existing fungal infestations fast, it prevents new infestations. For fruits and vegetables, Zero Tolerance can be applied up to 5 days before harvest.

It eliminates Powdery Mildew, Gray & White Mold, Black Spot, and most molds and fungi. Zero Tolerance Fungicide is a powerful tool for all indoor gardeners. Ed would not put his name on these products hes developed if they did not work when used as directed! Available in quarts or gallons of Ready to Use formula.
