Gavita M110 DE SR Reflector

Model: 906018

Gavita M110 DE SR Reflector

Manufacturer: Gavita

This replacement reflector for the Gavita Pro line and HortiStar requires no tools to install. The medium spread of this reflector with 110° beam angle is great for tents and small rooms. This is Gavita's most suitable reflector for single light set ups. The 110° is designed for uniformity and deep crop penetration in 1-2 fixture configurations. Suitable for double ended 750-1000W HPS.
