Gavita Pro W 150 DE

Model: 906019

Gavita Pro W 150 DE

Manufacturer: Gavita

Gavita Pro Wide 150° DE Reflector

Replacement reflector for Gavita Pro line and HortiStar. Easy to install, no tools required. Wide spread for optimal uniformity (150° beam angle). Suitable for double-ended 750-1000W HPS. This reflector is most suitable for overlapping plans. Designed for uniformity. Made from MIRO® aluminum.

Price: \$35.71
