GHBB® FLORALICIOUS GROW QUART (12/CASE)

Model: 732200

GHBB® FLORALICIOUS GROW QUART (12/CASE)

Manufacturer: General Hydroponics

General Hydroponics Floralicious Grow
FLORALICIOUS GROW QUART (12/CA

Floralicious Grow 1-0.07-.06 is a blend of bioactive microbial, plant, marine, and mineral extracts. It brings out your plants full genetic potential by augmenting metabolic activity in the root zone. FLORALICIOUS enhances polyamine synthesis and encourages the biosynthesis of complex secondary aromatic compounds. A perfect balance of vitamins, phytohormones, humic acids, polysaccharides, fructans and beta-glucans, L-amino acids and polyflavonoids. FLORALICIOUS GROW™ enhances nutrient assimilation for lusher, greener, more vigorous growth.

Manufacturer's Product Information

2007 MSRP Each \$25.95

Case Weight 30.15 LB

Case Dimensions 13.25 x 10. x 9.75 IN

Case Quantity 12

Price: \$16.47
