Gold Label Nutrients Goldzyme, 250 ml

Model: hf-VC995590

Gold Label Nutrients Goldzyme, 250 ml

Manufacturer: Vermicorp Organics

Goldzyme is a professional grade highly concentrated enzyme based on natural enzymes. Enzymes are natural process catalysts. Gold Label Enzymes break down dead root material into nutrients that will benefit plants and make room for new root development. You can regard them as the cleaners and recyclers of the medium.

Use in combination with Gold Label Base Nutrients.
