

GroChek pH/EC/TDS/Temp. Combo

Model: hf-HI991404

GroChek pH/EC/TDS/Temp. Combo

Manufacturer: Hanna Instruments

Hanna Instruments GroChek pH/EC/TDS/Temp. Combo (HI991404) This indicator continuously monitors the three most crucial nutrient parameters in hydroponic, greenhouse, and horticultural applications.

At startup, the GroChek performs a self-check to assure proper working condition. The stability indicator and HOLD function lets the user know when to take readings and freezes the reading on display for easy and accurate recording.

This instrument is supplied with a non-clogging double junction pH electrode as well as a rugged conductivity probe that will withstand even the most aggressive environments. The 12 VDC adapter makes these instruments ideal for all continuous monitoring applications.

Please note: This item cannot work with a digital ballast.

Features

Large, dual-level backlit LCD

Waterproof

Auto calibration & pH temp. computing

Adjustable TDS ratio and adjustable β ;

Stability indicator and HOLD
