Grotek Final Flush Pina 1 Liter (6/Cs)

Model: 739610

Grotek Final Flush Pina 1 Liter (6/Cs)

Manufacturer: Grotek

Final Flush - Pina Colada

Salinity can become a serious issue for those gardeners growing in containers and recirculation systems. Salt build up can cause problems for growing plants and can cause bitterness in harvested fruit. Final Flush™ is a flushing agent designed to correct over feeding issues during crop production while eliminating excess salts from the medium during the final stages of plant growth.

Price: \$10.36
