Manufacturer: Grotek

Grotek Grotek Growth Booster, 2.2 lbs (GTGB300)

Formulated to encourage early and vigorous growth, Vegetative Growth Booster is an excellent supplement for growing plants. High nitrogen supports green growth while phosphorous supports photosynthetic energy production. The phosphorous also works to increase the metabolism of carbohydrates and aid in root development. Vegetative Growth Booster is designed to be a one-time application product prior to the onset of flower development. Directions for use: Hydroponics: For every 10 L (2.5 gal) of growing solution in your reservoir, mix in 1 g (1/4 tsp) of Vegetative Growth Booster. Add directly to your reservoir when new growth is just starting. Mix it well. Cuttings can be watered once with Vegetative Growth Booster. USE ONLY ONCE.

Soil/Soilless Applications: For every 10 L (2.5 gal) of water, mix in 1 g (1/4 tsp) of Vegetative Growth Booster. Dissolve directly into your watering jug. Water each plant with 1/2 L (1/2 qt) of the mixture when you see new growth starting. USE ONLY ONCE. performance in all mediums and dissolves completely in water.
