GROTEK HEAVY BLOOM 1 L (6/CASE)

Heavy Bloom&#8482; 0-1-2 is an organic based formula designed to increase the size and weight of fruits and flowers. It contains nutrient supplements derived from natural plant extracts including Amino Acids, Vitamins and Carbohydrates. It also contains Phosphorus and Potassium derived from organic and inorganic sources. The composition of nutrients in this formulation will change the hormonal balance of the plant leaving more nutrients available for synthesis of reproductive tissues. This phenomenon will yield a plant with bigger, better and higher density flowers and fruits.
