Manufacturer: HydroFarm

Grow Bag 1/2 Gallon 1020/case (eco-5931A)Grow Bag 1/2 Gal - Case of 1020

Low-cost alternative to plastic pots used by greenhouse growers are now available to the residential grower. These grow bags are made from a specially formulated plastic that provides for a longer life than any other on the market.

The bags have pre-punched drain holes and easily stand upright when filled with media. Widely used in greenhouse drip irrigation applications. Excellent for bedding plants, tree seedlings, tomatoes, bell peppers, cucumbers, etc.
