## Grow Green Bulb Grow Green 1000W HPS 400V Double-Ended

Model: hf-WT1000

Grow Green Bulb Grow Green 1000W HPS 400V Double-Ended

Manufacturer: -

GROW GREEN lamps emit light in the right spectrum, they are highly efficient and their low sensitivity to interference and long service life set them apart from other alternatives. And the result is a better harvest.

- Ideal for cultivation with a highest light demand
- High proportions of red and blue light guarantee efficient photosynthesis
- Highest output of PAR light (2.100 μmol/s)
- promotes photosynthesis
- Lots of red light for more photosynthesis and good plant development
- Blue light for a robust, compact plant structure

**Price: \$82.48**
