Model: hf-GR35010

Grow More Water Soluble 20-20-20 25lb

Manufacturer: GrowMore

Grow More Fertilizers are formulated to supply sufficient amounts of extra nutrients for high yields. High solubility, purity and the special forms of nitrogen, phosphorus and potassium make Grow More Fertilizers the ideal product. Water Soluble General Purpose is an all purpose, balanced, high analysis formula for all field or greenhouse grown ornamental or agricultural crops.
