Grow More Water Soluble Bloom Part B, 25 lb

Model: hf-GR39512

Grow More Water Soluble Bloom Part B, 25 lb

Manufacturer: GrowMore

Grow More Fertilizers are formulated to supply sufficient amounts of extra nutrients for high yields. High solubility, purity and the special forms of nitrogen, phosphorus and potassium make Grow More Fertilizers the ideal product. Water Soluble Bloom, used as a two part with Water Soluble Grow, is complete with secondary and micro nutrients.
