Happy Frog Acid Loving Fertilizer, 18 lbs.

Model: hf-FX14072

Happy Frog Acid Loving Fertilizer, 18 lbs.

Manufacturer: FoxFarm

FoxFarm Happy Frog Acid Loving Fertilizer, 18 lbs. (FX14072) Rhododendrons, Azaleas, Hydrangeas, and other acid-loving plants have special nutritional needs. Without just the right pH balance, the roots simply cannot access the nutrients in the soil.

Acid Loving plant formula has a special pH level just for acid-loving plants, and it's blended with premium organic ingredients like cottonseed meal, feather meal, bat guano, kelp meal, alfalfa meal, and humic acid, a naturally occurring organic material that is formed when organic matter decomposes. Humic acid helps with seed germination and may increase the uptake of important micronutrients. Packed in a resealable plastic bag.
