Model: hf-FX14060

Happy Frog Fruit & Flower, 4 lbs.

Manufacturer: FoxFarm

FoxFarm Happy Frog Fruit & Flower, 4 lbs. (FX14060) Fruit & Flower delivers multiple blooms for all your flowering plants. You'll get brighter colors, spellbinding scents, and delicious flavors, all thanks to the extra boost that comes from the micronutrients and living organisms in our fertilizers. You might not see the healthy root system below ground, but the multiple branching and heavy bud set above ground will tell you that your plants are well-fed.

Fruit & Flower is pH-balanced with premium organic ingredients like bat guano, kelp meal, alfalfa meal, feather meal and humic acid, a naturally occurring organic material that is formed when organic matter decomposes. Humic acid helps with seed germination and may increase the uptake of important micronutrients. Packed in a resealable plastig bag.
