Happy Frog Japanese Maple Fertilizer, 18 lbs.

Model: hf-FX14074

Happy Frog Japanese Maple Fertilizer, 18 lbs.

Manufacturer: FoxFarm

FoxFarm Happy Frog Japanese Maple Fertilizer, 18 lbs. (FX14074) Finally, a fertilizer that's blended for the unique needs of the Japanese Maple. FoxFarm's Japanese Maple Fertilizer uses a lower-nitrogen formula that supports a natural tendency to grow in cool weather environments. This means less leaf scorch in summer - even in sun - and a smooth transition to dazzling fall color. A lower pH helps the roots take up the nutrients they need, and phosphorous and potassium deliver color illumination like you've never seen before. You'll get all the brilliant reds, purples, and oranges that make Japanese Maples the crowning glory of the garden.

FoxFarm's Japanese Maple fertilizer contains premium organic ingredients like bat guano, cottonseed meal, feather meal, and humic acid, a naturally occurring organic material that is formed when organic matter decomposes. Humic acid helps with seed germination and may increase the uptake of important micronutrients. Packed in a resealable plastic bag.
