Happy Frog Tomato & Vegetable, 4 lbs.

Manufacturer: FoxFarm

FoxFarm Happy Frog Tomato & Vegetable, 4 lbs. (FX14059) Before you can bring a great meal to your table, you need to bring a great meal to your garden. Tomatoes, soft fruits, and veggies require a special nutritional mix to ensure high yields. Tomato & Vegetable formula is pH-balanced with premium organic ingredients like bat guano, kelp meal, alfalfa meal, fish meal and humic acid, a naturally occurring organic material that is formed when organic matter decomposes. Humic acid helps with seed germination and may increase the uptake of important micronutrients.

Best of all, FoxFarm adds 20 species of beneficial microbes to help convert fertilizers into vital plant food and fight off disease. Tomato & Vegetable is granulated and easy to use, and it provides gentle, slow-release feedings all season long. All of FoxFarm's Happy Frog® organic fertilizers are specially formulated to replenish the soil, lift the human spirit, and beautify the Earth, naturally. Bring your plants to life!
