Harvest Pro™ HPS 600 Watt Remote Ballast

Model: 902435

Harvest Pro™ HPS 600 Watt Remote Ballast

Manufacturer: Sun System / Sunlight Supply

Sun System® Harvest Pro®; High Pressure Sodium Remote Ballasts

Harvest Pro®; HPS 600 Watt

With our Exclusive Power Pointer®, it's easy to switch from 120 volt to 240 volt power! Simply unplug the detachable 120 volt Smart Volt® cord (included), turn the Power Pointer® arrow down for 240 volt power and plug in a 240 volt Smart Volt® cord. THAT'S IT! (240 volt Smart Volt® cord sold separately). High quality ballast will ensure years of trouble-free use. Lamp cord receptacle; Accepts all Sun System® lamp cords.

High temperature capacitor ensures long lasting durability. A barrier wall between the ballast and the capacitor/ignitor helps keep the critical components cool. Heat slots & louvers remove excess heat from the ballast. Aluminum ballast enclosure dissipates heat. 5 year warranty

MSRP \$189.95
