Hormex Snip N Dip # 8 3/4 oz (12/Cs)

Model: 726627

Hormex Snip N Dip # 8 3/4 oz (12/Cs)

Manufacturer: Hormex (Brooker Chemical)

Hormex Snip N Dip #8

Exclusively used for rooting of cuttings (cloning, asexual reproduction) and air layering of plants for reproduction. Experimentation is required to be certain you are using the optimal strength for your specific growing conditions, time of year, geographic location, plant variety and type of cutting.

Price: \$13.78
