

HORTICONTROL LF-10 BALLAST FLIP FLOP

Model: 703682

HORTICONTROL LF-10 BALLAST FLIP FLOP

Manufacturer: Horti-Control

Horti-Control LF 10 Ballast

The LF-10 has ten inputs for ballasts and twenty outputs for lamps. The trigger cable is connected to a 120 Volt/AC appliance timer/lighting controller. Expand your growing area without increasing power requirements. 15' piggyback trigger cable allows daisy chaining additional controllers. Plug and play with most popular lighting systems. Works with magnetic and digital core ballasts. 5 year warranty.

Price: \$672.85
