Humboldt Mix 3.8 bale

Manufacturer: Humboldt Nutrients

Humboldt Nutrients Humboldt Mix 3.8 bale (HNSL38) Introducing the Humboldt Mix, from Humboldt Soils. This is the product of many years of trials and tests in the hills and valleys of Northern California.

This high performance, all purpose soil is able to handle virtually any type of crop, growing in virtually any type of garden. Humboldt Mix is a dependable backyard recipe that is blended with hand selected materials and contains only top of line ingredients that ensure consistent performance.

The high porosity of the Humboldt Mix keeps the plant's root system in a perfect air capacity, allowing for faster drainage of water and absorption of nutrients. The efficient flow of water, nutrients and oxygen enables a large healthy root zone, full of beneficial life. The Humboldt Mix is sold in 3.8 cu. ft. compressed bales and 2.8 cu.ft loose filled bags. Look for more Professional Soil blends from Humboldt Soils and bring some Humboldt County Quality to your garden.
