

HUMBOLDT NATURAL BLOOM 5G 1/CS

Model: 723058

HUMBOLDT NATURAL BLOOM 5G 1/CS

Manufacturer: Humboldt Nutrients

Humboldt Nutrients Natural Bloom

Humboldt Nutrients Natural Bloom is an ultra-concentrated organic bloom formula designed to give your plants the large phosphorus and calcium boost needed during the flowering period. Natural Bloom induces an immediate flowering response in flowering plants, encouraging multiple flowering sites.

The use of Natural Bloom promotes full flavors, aromas, and beautiful bouquets only obtained by the use of the richest organics provided by Humboldt Nutrients.
