Humidity Controller, 15-Amp @ 120vac

Model: hf-CAHUM1

Humidity Controller, 15-Amp @ 120vac

Manufacturer: HydroFarm

C.A.P. (Custom Automated Products) Humidity Controller, 15-Amp @ 120vac (CAHUM1) Increases or decreases the humidity levels in your garden. Compatible with any equipment operating on 120v or less. Set the desired humidity level, the controller will activate equipment accordingly, indicator lights show it's working. Three-year warranty. Made in the USA.

C.A.P. strongly believes that the only way to design and manufacture controllers is the right way. That means understanding what expectations customers have, and manufacturing controllers that meet or exceed their expectations. It means paying attention to details and not cutting corners; constantly striving to produce the most innovative products in the industry, using only the finest quality components to ensure many years of trouble-free operation.
