Hydrodynamics Europonic Silicate, 5 gal (Special Order)

Model: hf-HDSIL5GAL

Hydrodynamics Europonic Silicate, 5 gal (Special Order)

Manufacturer: HydroDynamics International

Europonic Silicate has 11% Silicon Dioxide, making it one of the strongest Silica products on the market. Silica helps to strengthen plants and increases resistance to environmental stresses including heat, drought, and cold.

Price: \$119.72
