Hygrozyme Horticultural Enzyme Formula, 500 ml

Model: hf-SIPHYGRO500

Hygrozyme Horticultural Enzyme Formula, 500 ml

Manufacturer: Sipco Industries

Hygrozyme® is a concentrated enzyme formula and is an essential addition to any grow system. With over 20 years of medical and horticultural enzyme formulation and production experience, SIPCO perfected a proprietary formula to help plants reach their full genetic potential. Hygrozyme provides a cleaner root zone by accelerating the breakdown of dead root matter. This process helps plants thrive by stimulating new root growth and nutrient absorption while unlocking additional nutrients to support and feed beneficial microbes.
