Ionic Boost, 1 qt

Model: hf-HDIONBOQT

Ionic Boost, 1 qt

Manufacturer: HydroDynamics International

Hydrodynamics International Ionic Boost, 1 qt (HDIONBOQT) Ionic Boost is a supplement designed to promote heavy flowering and should be used in conjunction with Ionic Bloom or with any full spectrum nutrient solution of the "bloom" variety. Ionic Boost is specifically formulated to deliver the key elements phosphorous (P) and potassium (K). These crucial ingredients are used in abundance by plants in their flowering cycle. The extra levels provided by Boost will give plants the extra energy needed for larger flowers and a more abundant harvest.
