Kill-a-Watt Electricity Usage Monitor

Model: hf-LGP4400

Kill-a-Watt Electricity Usage Monitor

Manufacturer: P3 International

Hydrofarm Kill-a-Watt Electricity Usage Monitor (LGP4400) Ever wonder just how much electricity your indoor garden consumes? How much "juice" you pour in to growing every day or longer amount of time? Now, with Hydrofarm's Kill-a-Watt electricity usage monitor, you're always in the know. Choose from the Kill-a-Watt's four settings to monitor your electrical usage by day, week, month, or year. Find out just how much that holiday lighting setup really costs you, or use it as a judgement call on whether it's time to replace old equipment that becomes a drag on your finances. With an easy-to-read screen and

Hanging color display card
ETL-listed
15 amp rated
